

**LatCrit-ClassCrits-SALT
JUNIOR FACULTY DEVELOPMENT WORKSHOP**

Thursday, October 5, 2023

The LatCrit-ClassCrits-SALT Faculty Development Workshop (FDW) is designed for those who are planning to enter or who have recently joined the legal academy. This day-long workshop includes sessions on topics facing prospective, junior, and pre-tenured faculty, while providing generous opportunities to hear from and connect with established faculty.

The FDW will be held virtually and is FREE for registrants of the LatCrit 2023 Biennial Conference, Hemispheric Justice: Cultivating Solidarity across the South–North Divide of the Americas on October 6-7, 2023 and hosted (via Zoom) by Cornell School of Law. Separate registration is required, and participation links will be provided following registration.
